We have cleared off the table, the leftovers saved,  
 Washed the dishes and put them away  
 I have told you a story and tucked you in tight  
 At the end of your knockabout day  
 As the moon sets it's sails to carry you to sleep  
 Over the midnight sea  
 I will sing you a song no one sang to me  
 May it keep you good company.

You can be anybody you want to be,  
 You can love whomever you will  
 You can travel any country where your heart leads  
 And know I will love you still  
 You can live by yourself, you can gather friends around,  
 You can choose one special one  
 And the only measure of your words and your deeds  
 Will be the love you leave behind when you're done.

There are girls who grow up strong and bold  
 There are boys quiet and kind  
 Some race on ahead, some follow behind  
 Some go in their own way and time  
 Some women love women, some men love men  
 Some raise children, some never do  
 You can dream all the day never reaching the end  
 Of everything possible for you.

Don't be rattled by names, by taunts, by games  
 But seek out spirits true  
 If you give your friends the best part of yourself  
 They will give the same back to you.
