

Everything Possible

©Fred Small

We have cleared off the table, the leftovers saved,
 Washed the dishes and put them away
 I have told you a story and tucked you in tight
 At the end of your knockabout day
 As the moon sets it's sails to carry you to sleep
 Over the midnight sea
 I will sing you a song no one sang to me
 May it keep you good company.
 You can be anybody you want to be,
 You can love whomever you will
 You can travel any country where your heart leads
 And know I will love you still
 You can live by yourself, you can gather friends around,
 You can choose one special one
 And the only measure of your words and your deeds
 Will be the love you leave behind when you're done.
 There are girls who grow up strong and bold
 There are boys quiet and kind
 Some race on ahead, some follow behind
 Some go in their own way and time
 Some women love women, some men love men
 Some raise children, some never do
 You can dream all the day never reaching the end
 Of everything possible for you.

Don't be rattled by names, by taunts, by games
 But seek out spirits true
 If you give your friends the best part of yourself
 They will give the same back to you.
