C&G                    F    C      G  G7
When I was a child I used to wander
F             C  G  C   F
In a world of magic all my own
              C              G
Where the beasts had funny names
            C              F
And their shapes were wild and strange
                      C  G     C G    G7
And all of them would answer when I spoke.

Am                  Asus4  Am    F
And in the darkness I   would go there
Dm         Dsus2    Am Esus4
As I lay in my bed alone.
    Dm          Dsus2
I'd close my eyes and see
      Am           Asus4  Am
The place I longed to   be
Dm            Dsus2 Am  G    G7
And gladly stay until the dawn.

  C              F   C       G
  I'd travel to another country
  F           C  G     C  G  G7
  Oh, what a lovely place to be.
              C              G
  Where the creatures all were tame,
          C              F
  And the echo knew my name,
  G        F     C G     C
  When in my dreams it called to me.

But I forgot, when I grew older,
About the country in my mind;
The beasts with funny names
And moonlit circle games
With childhood toys were left behind;

G7But sometimes starlight would remind me
Of places where I used to go,
And every now and then
When talking with a friend
I'd ask if they'd been there also...

> Do you recall another country?
> I used to think that it could be;
> Where the creatures all were tame,
> And the echo knew my name,
> When in my dreams it called to me.

But now I've recently discovered
The way back to places I recall
The creatures I knew then
Are with me once again
And there is magic after all;

And I may sing to you by starlight,
Or trace a shadow on your screen,
Or take you by the hand
Across a moonlit land
To places only I have seen...

> So come with me to another country
> Oh, what a lovely place to be.
> Where the creatures all are tame,
> And the echo knows your name,
> When you come share the dream with me.

   This started out trying to be a song about Cyberia, the country inside computers and
networks, but it sort of got away from me. It still fits but it got bigger, somehow. Songs are
like that.
