

Teddy Bears' Victory

To the tune of "Teddy Bears' Picnic"

If you go out in the woods today
 you'd better not dress in white
 If you go out in the woods today
 you're in for an awful fight
 'cause every Ewok ever there was
 is waiting there with weapons because
 Today's the day the Teddy Bears fight the Empire.
 See the little Ewoks there,
 led by C3PO
 they're creeping through the woods today
 Catch storm troopers unawares,
 and set the Rebels free to win the day
 See them gaily lay about,
 They love to slay and shout
 they never have any cares.
 They may be armed with arrows and bows
 but they're still deadly foes
 Because they're fierce little Teddy Bears.
 If you go out in the woods today
 you're in for an awful shock.
 You may get tripped on a hidden vine
 or crushed by a flying rock
 The Ewoks may be terribly cute
 but they are armed and know how to shoot
 Today's the day the Teddy Bears fight the Empire.
 Bolas, spears and catapults
 they really get results
 stormtroopers are getting chased around.
 Ropes and pits and swinging logs
 are sending walkers sprawling on the ground
 What good are those laser-guns
 they're outnumbered ten to one
 the Empire's running scared!
 When evening comes they'll dance and they'll sing
 and celebrate victory
 Because they're brave little Teddy Bears.

I wasn't the only one to think this up; the LA FilkHarmonics beat me to it. Oh, well...
