C G C G F
 Oh give me a home page where web browsers roam
 C F C G C G
 And the spiders and search engines play
 C G C G F
 Where my words can be seen upon everyone's screen
 C G C G C
 And I'll be the Cool Site of the Day.

C F C G C F C
 Oh I wanna be a webmaster, I wanna use HTTP
 F* G C F C G C G
 In the World Wide Web there'll be no one as wonderful as me
 C* F C G C F C
 My page will be the Cool Site of the day you just can bet
 F C G C G C
 At WWW-dot-myDotSite-dot-net

C G C F C
 Well, I found a site provider and I wrote HTML
 C C* F G
 And I made a thousand links to sites that I can't even spell.
 C F C F C G C
 With a CGI hit counter that has four whole lines of code,
 C F G C G C
 And a three-D rendered background that takes half an hour to load.

refrain — the week

Well I bought myself a Macintosh and Windows 95
 Page Mill and Netscape Server and a 4.2-Gig drive;
 My programs all have objects and my processors have RISCs
 And my software's backed up on about five hundred floppy disks.

refrain — the month

Now I have a Cisco router and a satellite link dish
 And a realtime Ricoh camera taking pictures of my fish
 And an RC autogyro I'll be taking for a whirl
 Just as soon as I can figure out how to program it in PERL.

refrain — the year

I'll be raking in the Digicash and Cyberbucks galore
 When a World Wide Web of customers comes browsing to my door
 I'll sell them cups of Java and instant iced N-T
 In recycled plastic mugs that have a photograph of me.

refrain — all time

Oh give me a home where the web browsers roam
 I'll be staking my cyberspace claim
 To a place in the sun for fast money and fun
 And my own 15 minutes of fame.
